

Illinois Aging Network 2020 Census Webinar Series

Last Updated 2/5/2020

This webinar series is meant for professionals in the Illinois Aging Network who are doing 2020 Census outreach to older adults. Each webinar will be recorded and shared. After the webinar date, the registration link will become a link to the recording of that webinar. Please register for each webinar you want to join. On the day of the webinar, we recommend you login 5 minutes early. All participants will be muted.
