**FAQ  
February 9, 2015**

- 1) Will the EOE letter suffice for the required “Affirmative Action Plan”?  
Yes.
  
- 2) Will an already-submitted EOE letter satisfy the RFP requirement or does our organization need to re-submit?  
We are asking that you re-submit the EOE letter. We recognize that your organization--and other organizations-- have filed documents with AgeOptions over the years, some of which do not change significantly. This year you will note that we are asking for a complete set of attachments both on paper and electronically. This will allow us to save and retrieve documents much more easily. So please include all required attachments in your submission.

\*Please note that a new clarification was issued on 2/6/15, posted on the website under **Clarifications to the RFP**.
